Activities for Gender Equity & Sensitization

Gender equality and gender equity have always been related. It is difficult to discuss one without the other. They are sometimes used interchangeably.

EQUALITY: The state of being equal in status, rights and opportunities.

EQUITY: The application principles of natural justice in particular circumstances where the existing laws would not allow a fair reasonable result.

Gender equity is concerned with the promotion of equal opportunity and fair treatment of men and women in the personal, social, cultural, political and economic arenas. Gender equity entails meeting women's and men's, girls' and boys' needs in order for them to: x compete in the formal and informal labor market x participate fully in civil society x fulfill their familiar roles adequately without being discriminated against because of their gender.

To Describe the gender equity & sensitization, Pune Vidyarthi Griha's College of Science and Technology has conducted the following curricular and co-curricular activities, facilities for women in campus.

From the last five years PVGCST has conducted the following activities: -

- International Women's Day
- Installation of Sanitary Napkin Vending Machine and Destroyer for Girls in the College
- Teachers Day Celebration
- Poster Making Competition on "Save Girl Child"
- Balika Din Celebration

WOMENS DAY CELEBRATION

Tuesday, March 9, 2021

8th March 2021 was the day of extreme joy for DLLE Team of Pune Vidyarthi Griha's College of science and Technology as we conducted Women's Day celebration to honor all the social, economic, political and cultural achievements of women.

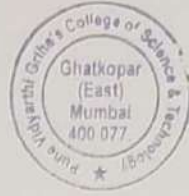

The Celebration was indeed a great initiative by the DLLE to confer love and gratitude for Women. It aimed at imparting the values like women empowerment and equality which bestowed the sense of appreciation and respect to their entire family.

The Day started with a great jubilant response of all the DLLE Members. The Morning session started with the prayer recited by all the faculty and DLLE Members. After the prayer, all the DLLE Team was divided into groups, we went to different places in different groups and honored the women with red roses and greetings. We honored the women in different fields like doctors, police force, sweepers and our teachers who help us in creating a better world. We also honored the women who are vendors and have full responsibility of the whole family on her shoulder. After all that's what women empowerment truly means.

At last, we concluded the event by clicking the pictures and Teachers blessed the students. The blessing from everyone was the true success of this event.

Report On Women's Day Special.

On 8th March 2021, NSS team had arranged a special event for celebrating Women's day with the other two teams.

The events include Theme dance, Poems , singing and Street play. All teams participated in the event, some volunteers took part in dance, some in street play, some in singing etc.

Firstly we started the event with a Red Carpet entry of all the female staff of our college, then our respected principal sir and other faculties facilitated the female staff by giving a small bouquet. Afterwards our respected principal sir addressed us all and then Volunteers started their performance one after one . Along with the performance we had arranged small games for female staff and girls. The game was Musical Chairs. Everyone enjoyed it a lot. At the end NSS volunteers performed a street play which shows the problems which girls are facing in society . All the segments of that event were successfully done and everyone likes that event.

Installation of Sanitary Napkin Vending Machine and Destroyer for Girls in the College

20th September 2018

The college always prefers health, cleanliness and hygienic issues regarding each stakeholder. As a part of this Pune Vidyarthi Griha's College of Science and Technology today installed a Sanitary Napkin Vending and Destroying Machine in the washroom for ladies. It has 80 pads capacity of feeding. It is available at a nominal price of Rs. 5/- only. It also destroys the used pads within a few minutes without pollution. The college is sure that this will help the girls' students to be aware of cleanliness, hygiene and comfort in 'those' days. This will be also helpful for them to attend college regularly and take education they were missing due to this health issue. The supplier of the machine gave a demonstration to the girls about using both machines. Thus, the college feels proud to declare that we are keeping pace with the use of advanced technology and care for nature.

Poster making Competition on Save Girl Child

The main objective of the **Poster making Competition on Save Girl Child** was to create awareness among the people about the importance of girl child. The bigger objective was to discourage them against the female foeticide, a cancer for the society. There was a huge enthusiasm among the teachers and the students for the Competition. Save the girl child is a campaign in India raising awareness on gender selective abortion of female fetuses which has skewed the population towards a significant under-representation of girls in some Indian states. For this cause, we are working for the Save Girl Child Campaign through organizing Rallies, Camps, Poster Making Competitions and Awareness Sessions.
