Report on "Financial Planning" conducted by HerMoneyTalks

Pune Vidyarthi Griha's college of Science and technology organized a webinar on "Financial Planning" by HerMoneyTalks & UTI on Tuesday, 1st February 2022 at 1:00 pm. The webinar was conducted on Zoom meeting and the session was around 120-150 minutes.

Webinar started with a brief introduction about the speaker and HerMoneyTalks by the co-host of the webinar. Then the welcome speech was given by Miss Ragini Londhe, student of TYBSc.(C.S.). The session was conducted by the guest speaker Miss Swati Singhania, The CA, CS, Co- founder of Singhania association and a financial Analyst. She discussed how students can invest for future or current saving and how they can make a proper plan for finance and made it very interesting with the examples of our day to day life.

Session emphasized the difference between investment and savings. The investor should know the basic difference to enhance wiser decisions on the investment pattern. Also, Creating a financial plan which can provide the foundation for investment success. The financial planning process can help define goals and figure out practical steps to get there one key foundation of successful investing is diversification (owning a variety of stocks, bonds and other assets), which can help control risk. Having an appropriate investment mix, giving a portfolio that delivers growth potential with a level of risk that makes sense for the situation, may make it easier to stick with the plan through the ups and downs of the market.

The event was coordinated by Prof. Mrs. Prajakta Shirke with the approval of Principal Dr. Ajay Kumar Pathak. Third Year BSc.(C.S.) student Miss. Ragini Londhe took the opportunity of thanking the speaker for such a wonderful and informative session. The session had witnessed enthusiastic participation from students and numerous queries were entertained during the session.

REPORT WRITING

Webinar on Overseas Education by Mr Sudip Sule and Miss Aditi Kulkarni

A Webinar on Overseas Education was held in Pune Vidyarthi Griha's College of Science and Technology on Saturday, 31st January at 2:15 pm

2022. The Resource person for the seminar was Mr Sudip Sule and Aditi Kulkarni.

The program started with introduction of the speaker by Miss Priya Sharma-a student of TY. BSc IT. Later it was hand overed to Mr Sudeep Sule. Then Sir started interacting with students and asked questions regarding

Who want to go abroad?

Why you want to go abroad and study?

Students interacted well with Sir and answered him.

Later Sir invited Miss Aditi Kulkarni and asked her to explain everything in detail. Mam then shared a PPT and showed different slides which included places to go for study, cost of study, place to live etc.

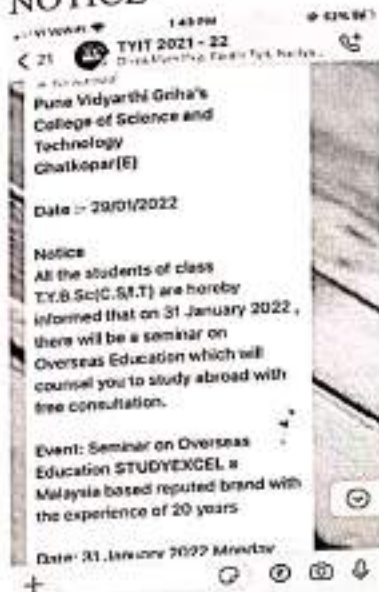

Students interacted well with Mam and answered questions and the were answered satisfactorily. It was a interesting seminar which guided us well to select the place and which degree to opt for.

Total 32 students were present from TY BSc IT and TY BSc Cs class. It was a wonderful experience hearing them. The program ended with vote of thanks speech by Miss Ritika Mamani.

To

Dr. Ajaykumar Pathak

PVG College of Commerce & Science

Ghatkopar, MUMBAI

We hope your Team & all students of Institute are in good health & performing well.

With reference to your initial discussion with our Business Development Exe Aaditi Kulkarni, I would like to take this opportunity to introduce ourselves. Our organization is known as 'StudyExcel' and we are a reputable official representative of education institutions around the World, providing services in the field of Overseas Education. With the valuable experience gained over a period of more than 25 years, our office network spreads across all major countries of the globe. Our expertise is in providing educational counseling, assistance, support & advice to students aspiring to study abroad.

We provide authentic & accurate yet FREE consultation related to --

- the selection of colleges and universities as well as
- end to end processing of application
- to enrolment with travel,
- pre-departure and arrival arrangements, and
- Accommodation services at no cost.

To ensure transparency and safety, all payments by the students shall be made directly with our guidance to the institutions' accounts. This ensures students and their parents that the Trust in us as a representative of the institutions will be maintained at all times.

As rightly said, "Education is the Foundation of one's character & personality". The high quality of education in Top Grade and Ranked Universities that we represent in UK, Australia, USA, Germany, Canada, Singapore, Malaysia, and Switzerland amongst others will greatly enhance the knowledge, skills and career prospects of any student. Having said this however, different faculties within some institutions may actually be ranked higher due to their expertise. We always endeavour to help our students place themselves with the right institutions base on their choice of courses

Your institution is well-known for its High Quality Education standards and we would like to, with your permission, introduce our services to your students by way of conducting 'an Introductory seminar / presentation' for them. This Seminar will be conducted by our Business Development Team - Aaditi Kulkarni & Sudeep Sule.

It will be a great opportunity for students to attend this seminar as it will expose them to much needed information and knowledge and will help them in exploring and making the right choice of which 'Overseas Education options' are most suitable for them.

We look forward to receiving a favorable response to our proposal and we await the opportunity to meet and explore this together.

Thank you.

Yours sincerely,

SUDEEP SULE

AR ON MICROSOFT AZURE BOOTCAMP - Google Docs

WEBINAR ON “MICROSOFT AZURE BOOTCAMP”

BY
IFI TECH

PUNE VIDYARTHI GRIHA'S
COLLEGE OF SCIENCE AND TECHNOLOGY
Affiliated to University of Mumbai

Report on Microsoft Azure Bootcamp conducted by IFI Tech Academy

Pune Vidyarthi Griha's College of Science and technology had organized a session on Microsoft Azure Bootcamp on 4th January 2022 from 2:00 pm to 3:00 pm for TY (C.S/I.T) students. The speaker was Ms. Shiba Khandari working as Head-IFI Tech Academy. She has an experience in IT industry and as well as she is a Gold Medalist from MET Mumbai. Another speaker was Mr. Ankit Garg - Head of Business Operations at IFI Techsolutions.

The main aim of the session was to offer the third year students an exclusive opportunity to learn and earn with Microsoft Azure certifications.

Prof. Mrs. Seema Gargote welcomed the students and introduced the speaker.

IFI Tech Academy is a Microsoft Learning Partner and teaches Microsoft Azure Certification course content developed by Microsoft. IFI Tech solutions is a leading cloud solutions and managed services provider founded by former Microsoft executives that was recognized as a 2020 Microsoft Partner of the Year Finalist.

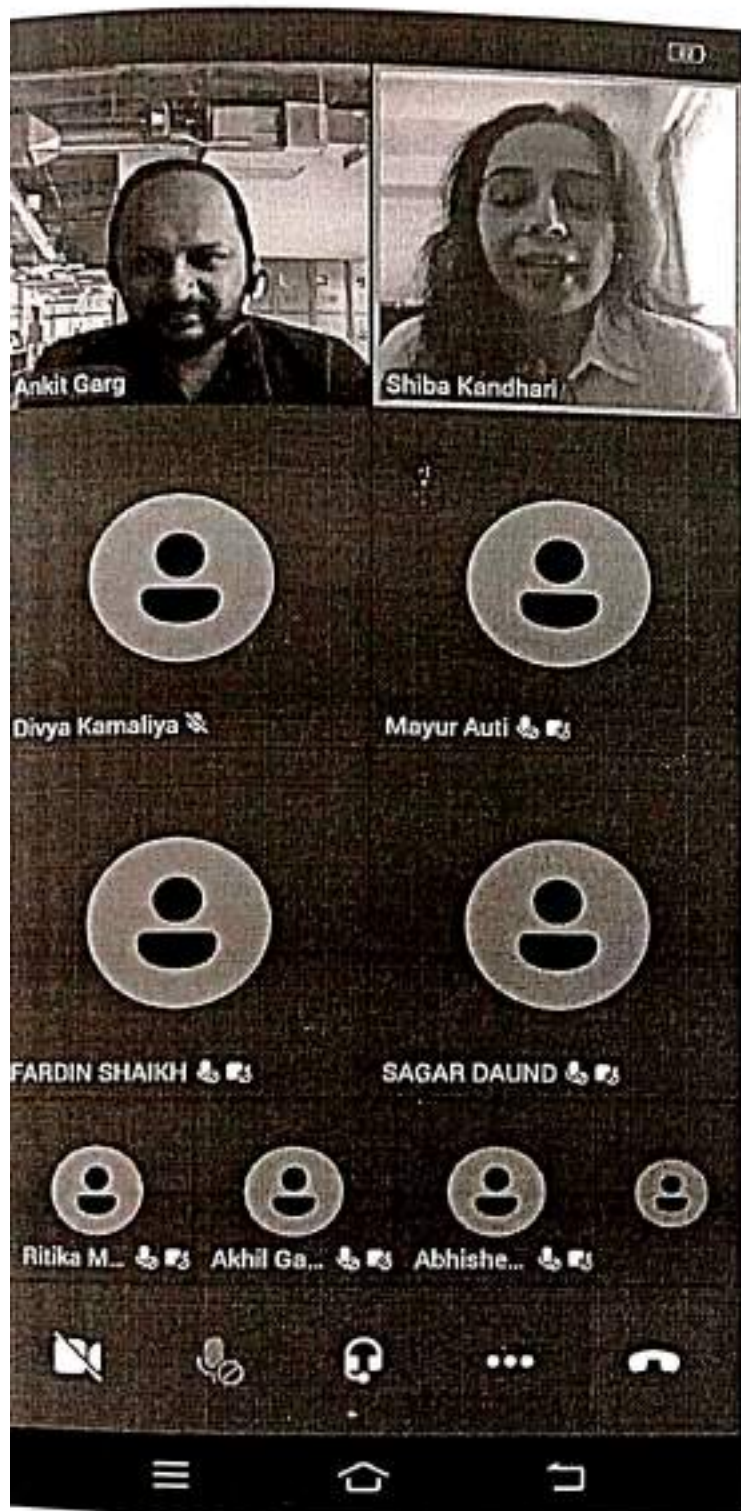

The session started with the introduction about IFI Tech Academy and its various locations as well as its collaborations with the various companies as well their customers. The speaker also introduced the benefits of Microsoft Azure certification and how it will help students for their future growth. The speaker also gave the students an insight about the various certification courses offered by them, their placement assistance, course details.

The event was coordinated by Prof. Mrs. Seema Gargote with the approval of Principal Dr Ajay Kumar Pathak. Prof. Mrs. Seema Gargote took the opportunity of thanking the speaker for delivering such an important, informative and necessary topic.

Azure Fundamentals

- This course provides foundational level knowledge on cloud concepts, core Azure services, security, privacy, compliance, and trust, and Azure pricing and support.
- The audience for this course is just beginning to learn about cloud computing and how Microsoft Azure provides that service.
- There are 5 days of Azure Fundamentals course in the whole program.
- The content for both courses aligns to the AZ-900 exam objective domain.
- There are no prerequisites for the course, but students with an IT background will find the concepts easier to understand.

Cloud Administrator Role

Cloud Administrators manage the cloud services that span storage, networking and compute cloud capabilities, with a deep understanding of each service across the full IT lifecycle.

They take and user requests for new cloud applications and make recommendations on services to use for optimal performance and scale, as well as provision, capacity monitor and adjust as appropriate. This role requires communicating and coordinating with vendors.

Cloud Administrators use the Azure Portal and as they become more proficient, they use PowerShell and the Command Line Interface.

Successful Cloud Administrators start this role with experience on operating systems, virtualization, cloud infrastructure, storage structures, and networking.

Get Hired for Microsoft Azure Jobs | Tech Azure Bootcamp

Fri, Dec 10, 2021 at 12:22 PM

respected Ma'am,

Greetings from IFI Tech Academy.....!!!!

Hope you are doing well.

We are offering your students an exclusive opportunity to learn & earn with **Microsoft Azure certifications**. This is a once in a lifetime opportunity for students to get direct entry into the **cloud industry**. We are reaching out to you for a strategic partnership to train your students on Microsoft Azure and eventually place them within industry. IFI Tech Academy will be providing **placement guidance** while the top performing students will be offered jobs with IFI Tech Solutions.

IF Tech Academy brings certified online training for the Microsoft Certifications -

- Microsoft Azure Fundamentals AZ - 900
- Microsoft Azure Administrator AZ - 104
- Developing Solutions for Microsoft Azure AZ-204
- Designing and Implementing Microsoft DevOps Solutions AZ-400

Upgrade your student's skillset in just 2 weeks and help them get a globally recognized certificate from **Microsoft**. On successful completion of the course, students would be earning Microsoft Azure certifications that are specifically designed for current market requirements and job roles. Adding new skills and certifications to your students resume allows them to stand out from the crowd and boost their employability – the more skills they develop, the more opportunities become available to them.

IFI Tech Academy is a Microsoft Learning Partner and teach Microsoft Azure certification course content developed by Microsoft. Our trainers are Microsoft Certified Trainers and have industry relevant experience.

IFI Tech solutions (www.ifi.tech) is a leading cloud solutions and managed services provider founded by former Microsoft executives that was recognized as a 2020 Microsoft Partner of the Year Finalist. IFI Tech Academy, our latest venture is an initiative to build the next generation of Microsoft Azure cloud talent.

Please find our brochure attached along with.
